

**Attention: Owners of Nikon Lite Touch Zoom 120QD**

It has recently come to our attention that some models of the Nikon Lite Touch Zoom 120QD may experience a malfunction during film loading or rewinding.

While the likelihood of a malfunction occurring is minimal, we would like to offer to repair the problem, free of charge, to prevent this possibility.

Only certain production lots are affected. Please check the bottom of your camera, and see whether your serial number falls within the following range:

1. Between 2002001 and 2067886
2. Between 3002001 and 3100500
3. Between 3300001 and 3302084

If your serial number does not fall within the range listed, then your camera is not affected. If the number does fall within the range, please read the following:

If you would like us to repair your camera, please fill out the form below. The camera will be repaired free of charge, and you will receive a reimbursement for any shipping costs you incur.

We apologize for any inconvenience this may cause you, and appreciate your continued support of Nikon products.
