Tips and Tricks for Photographing Cats, Dogs, Birds and Bugs

Featuring **NIKON AMBASSADOR TAMARA LACKEY, NIKON AMBASSADOR KRISTI ODOM & NIKON AMBASSADOR STACY PEARSALL**

In uncertain times like these, we want to help photographers and creators of all levels stay inspired, engaged and growing. We asked some of our Nikon Ambassadors to create quick videos with ideas for taking pictures and video that you can do in your home or neighborhood.

This video collection offers tips on photographing kittens and puppies from Tamara Lackey, tips on photographing dogs creatively by Stacy Pearsall and tips and ideas on photographing birds, insects and more with Kristi Odom.

These videos are quick—a minute or two in length with easily digestible tips, tricks and techniques.

Check out [Creator's Hour](#) to see more videos on a variety of topics from Nikon Ambassadors as well as in depth interviews with Nikon Ambassadors and professional photographers.
